

This is your agreement and disclosure statement ("Credit Agreement" or "Agreement") with the Credit Union. Please read it carefully and keep it for your records. Your agreement to all of these provisions, as amended from time to time including the Card issued by us, will be shown by your application for the Card, your signature on the Credit Agreement, your acceptance of the Card, or your use of the Card, whichever occurs first.

Definitions. In this Agreement, the word "Card" means either one or more credit cards and any duplicates, renewals or substitutions we issue to the borrower or to any designated authorized user(s). The words, "Company," "you," "your," and "yours" mean the borrower and all cardholders (borrowers, co-borrowers and guarantors); anyone any borrower or cardholder permits to use the Card(s); as well as any authorized user for whom an additional Card(s) is issued to the extent of their purchases and cash advances, as well as transactions by anyone they permit to use the Card(s). The word "cardholder" means any borrower as well as any person the borrower designates as a cardholder. The words "Credit Union," "we," "us," and "our" mean Arizona Financial Credit Union.

COMMERCIAL NATURE OF THIS PLAN: The Borrower and authorized parties represent and warrant to the Credit Union that the purpose of this loan is strictly intended for business/commercial purposes, and that no part of this Plan or any property purchased or pledged as collateral is or will be used for personal, family, or household purposes, intending that the Credit Union rely on this statement.

SECURITY: (a) Additionally, YOU SPECIFICALLY GRANT US A CONSENSUAL SECURITY INTEREST IN ALL INDIVIDUAL AND JOINT ACCOUNTS YOU HAVE WITH US NOW AND IN THE FUTURE TO SECURE REPAYMENT OF CREDIT EXTENDED UNDER THIS AGREEMENT. YOU ALSO AGREE THAT WE HAVE SIMILAR STATUTORY LIEN RIGHTS UNDER STATE AND/OR FEDERAL LAW. THE GRANTING OF THIS SECURITY INTEREST IS A CONDITION FOR THE ISSUANCE OF CREDIT UNDER THIS AGREEMENT. IF YOU ARE IN DEFAULT, WE CAN APPLY YOUR SHARES TO THE AMOUNT YOU OWE. Shares and deposits in an Individual Retirement Account or any other account that would lose special tax treatment under state or federal law if given are not subject to this security interest.

(b) If you have other loans with us, collateral securing such loans may also secure your obligations under this Agreement.

1. Using Your Card. Using your Card constitutes your acceptance of the terms and conditions of this Agreement, as may be amended from time to time. You can purchase or lease goods and services ("Purchases") from any merchant who honors your Card up to your maximum credit limit for your Card. You may also use the Card to obtain cash advances from financial institutions and ATMs that accept the Card. You may also access your Account by telephone or access checks (if provided to you). Certain purchases and cash advances require authorization prior to completion of the transaction. In some cases, you may be asked to provide identification. If our system is not working, we may not be able to authorize a transaction, even though you have sufficient credit available. Also, for security reasons, we may block the use of your Card in certain countries or geographic areas. We will have no liability to you or others if any of these events occur.

2. Credit Limits. We will notify you of your credit limit. You agree to keep your unpaid balance within your credit limit; however, if you do exceed your credit limit, you agree to immediately pay any amount over the credit limit upon our demand, regardless of whether we authorized the advance(s) which caused you to exceed your credit limit.

3. Personal Identification Number (PIN). We will issue a Personal Identification Number (PIN) for use with your Card upon your request. This PIN is confidential and should not be disclosed to anyone. You may use your PIN and your Card to access your Account, and all sums advanced will be added to your Account balance. In the event a use of your PIN constitutes an Electronic Funds Transfer, the terms and conditions of your Electronic Funds Transfer Agreement may affect your rights.

4. Promise To Pay. Regardless of the means used to access your Account, you promise to pay us in U.S. dollars for (a) all purchases, cash advances, and balance transfers made by you or anyone whom you authorize to use the Card; (b) all Interest Charges and other charges or fees; (c) collection costs and attorney's fees as permitted by applicable law, and any costs incurred in the recovery of the Card; and (d) credit in excess of your credit limit that we may extend to you.

5. Illegal Use and Internet Gambling. You agree that all transactions that you initiate by use of your Card are legal in the jurisdiction where you live and/or where the transaction occurred. Internet gambling may be illegal in the jurisdiction in which you are located, including the United States. Your Card may only be used for legal transactions. Display of a payment card logo by an online merchant does not mean that internet gambling transactions are lawful in all jurisdictions in which you may be located. You agree to repay according to the terms of this Agreement all transactions you initiate by use of your Credit Card, whether deemed legal or illegal.

6. Loan Obligation. You will be responsible for the repayment of the amounts owed, regardless of who initiated any transactions under the Account. You have the right to cancel this Agreement by notifying us in writing. Cancellation does not relieve any obligor of liability for any and all charges incurred prior to cancellation. Each obligor is at all times responsible for all amounts borrowed by any authorized user(s).

7. Ownership of Card. Your Card remains our property and may be cancelled by us at any time without notice. You agree to surrender your Card and to discontinue use of the Account immediately upon our request.

8. Others Using Your Account. If you allow anyone else to use your Account, you will be liable for all credit extended to such persons. You promise to pay for all purchases and advances made by anyone you authorize to use your Account, whether or not you notify us that they will be using it. If someone else is authorized to use your Account and you want to end that person's privilege, you must notify us in writing, and if they have a Card, you must return that Card with your written notice for it to be effective. You agree that all borrowers and authorized users may have access to information regarding transactions on your Account, (including but not limited to) purchases and cash advances, Account balances, Account history, payments, and other information.

9. Interest Charges. Interest Charges will accrue on your average daily balance outstanding during the month (new and previous). To get the average daily balance, we take the beginning balance each day, add any new purchases, cash advances, insurance premiums or debt protection fees or similar fees, and debit adjustments and subtract any unpaid late charges. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide that by the number of days in the billing cycle. We then multiply that by the monthly periodic rate corresponding to the Annual Percentage Rate that was previously disclosed to you.

You can avoid Interest Charges on purchases by paying the full amount of the entire balance for purchases each month by the date on which the payment is due. Otherwise, the new balance for purchases, and subsequent advances from the date they are posted to the Account, will be subject to an Interest Charge. You cannot avoid Interest Charges on cash advances; even if you pay the entire cash advance balance by the payment due date, you will incur the Interest Charges accrued from the transaction date of the cash advance.

10. **Fees.** You agree to pay any and all fees that you incur in connection with your Card, in accordance with applicable law, in the amounts set forth on page 1, which fees and/or amounts may be amended from time to time.

11. **Minimum Monthly Payments.** Your minimum monthly payment will be _____ % of your total New Balance shown on your billing statement at the end of each billing cycle, plus the amount of any prior payments due that remain unpaid, subject to the lesser of \$_____ or your Account balance. In addition, any time that your total New Balance exceeds your credit limit, you must immediately pay the excess upon our demand. You have the right to pay your Account in full at any time without penalty. Partial payments or prepayments will not delay your next scheduled payment - you will still need to make the minimum scheduled payment by the next scheduled due date to keep your Account current. Payments will be applied in any order we determine, subject to applicable law. You understand that any payment that delays the repayment of your unpaid balance will increase your Interest Charge and any payment that accelerates the reduction of your unpaid balance will decrease your Interest Charges.

12. **If Your Card is Lost or Stolen or if an Unauthorized Use Occurs.** You agree to notify us immediately if your Card is ever lost or stolen or if an unauthorized use may have occurred. "Unauthorized use" means the use of the Card by someone other than you who does not have actual, implied or apparent authority for such use, and from which you receive no benefit. Call or write to us at 602-683-1000 in Maricopa County or 800-523-4603 outside of Maricopa County or Arizona Financial Credit Union, P.O. Box 60070, Phoenix AZ 85082-0070. You also agree to assist us in determining the facts, circumstances and other pertinent information relating to any loss, theft or possible unauthorized use of your Card and comply with such procedures as we may require in connection with our investigation. You will be liable for any unauthorized use only if we can prove that you were negligent in your use or handling of your Card, or if we can prove that you used your Card fraudulently. Do not use the Card after you have notified the Credit Union, even if you find it/them or have it/them returned to you.

13. **Crediting of Payments.** Payments are due in the amount and on the date disclosed on your billing statement. Payments received at a staffed branch teller line will be credited to your Account that day. Mailed payments to the address disclosed on your billing statement will be credited to your Account the same business day they are received. Business days are Monday - Friday with the exclusion of federal holidays. If payment is made at any location other than the address designated on the periodic statement, credit for such payment may be delayed up to five (5) business days.

14. **Default; Acceleration; Credit Suspension; Collection Costs.** You will be in default if: (a) you fail to make any payment on time; (b) if you fail to keep any promises you have made under this Agreement or under other Agreements you have with us; (c) if you die; (d) if you file a petition in bankruptcy or have a bankruptcy petition filed against you, or if you become involved in any insolvency, receivership or custodial proceeding; (e) if anyone attempts to take any of your funds held by us via legal process or if you have a judgment or tax lien filed against you; (f) if you make any false, inaccurate, or misleading statements in any credit application or credit update; or (g) if we, in good faith, believe that your ability to repay what you owe is or soon will be impaired, or that you are unwilling to make your payments.

If you are in default, we have the right to demand immediate payment of your full Account balance without giving you notice. If immediate payment is demanded, you agree to continue paying Interest Charges until what you owe has been paid, and any shares that were given as security for your Account may be applied toward what you owe. You agree to pay all reasonable costs of collection, including court costs and attorney's fees, and any cost incurred in the recovery of the Card. Even if your unpaid balance is less than your credit limit, you will have no credit available during any time that any aspect of your Account is in default.

15. **Defaults and Your Credit Reports.** The Credit Union may report information about your Account to third parties, such as credit reporting agencies. If you think information has been reported erroneously, call us at the telephone number listed in your monthly billing statement. We will investigate the suspected error and contact you with the results.

16. **Additional Benefits/Card Enhancements.** We may, from time to time, offer additional services to your Account at no additional cost to you. You understand that we are not obligated to offer such services and may withdraw or change them at any time. Potential services that may be offered:

Reward Card Benefit. The reward card benefit can earn points for eligible transactions. Merchant credits and disputed transactions will result in a subtraction of points. Reward points are not earned for the following ineligible transactions: finance charges, fees, cash advances, balance transfers, ATM transactions, overdraft transfers, convenience checks, and insurance charges posted to the Account. If multiple Card numbers are issued on the same Account, all points earned for each Card will be aggregated to a total points balance for that Account. All borrowers and authorized users will have access and may redeem reward points on the Account. See Reward Points Redemption for more information.

Reward Points Redemption. All borrowers and the authorized users of your Account may redeem accumulated reward points on the Account, regardless of which Card or user on the Account is responsible for the accumulation. Reward points are not considered your property and are generally non-transferrable to other programs or to others who are not listed on the Account as a borrower or authorized user. The reward card benefit is administered by a third party. The Credit Union does not control the redemption options available through the reward card benefit provider or the redemption costs of an item or service. The Credit Union is not responsible for any inaccuracies in point accrual due to late or incorrect submissions, computer errors or any losses that may arise in connection to the use of these services. The number of rewards points required to redeem an item or service may change at any time without notice.

Reward Points Availability. In order to receive the reward card benefit (points stored and available for use) your Account must be open and in good standing at the time your points redemption request is made. An Account is not in good standing if closed, suspended, part of any bankruptcy, or past due. If the Account is closed by either you or us for any reason, all reward points that have been accumulated but unused will be forfeited. The Credit Union reserves the right to suspend your participation in the reward card benefit at any time. We reserve the right to alter the policies and the reward card benefit and will be the final authority on rewards credits and qualifications. Once your Account is closed the reward points are forfeited and may not be restored even if you qualify to reopen and/or open another Account.

17. **Convenience Checks.** We may, at our discretion, issue checks to you which may be used for any purpose other than making a payment for credit to your Account. By signing such check, you authorize us to pay the item for the amount indicated and post such amount as a cash advance to your Account. We do not have to pay any item which would cause the outstanding balance in your Account to exceed your credit limit.

18. **Transaction Slips.** Your monthly statement will identify what merchant, electronic terminal or financial institution at which transactions were made. Sales, cash advance, credit or other slips cannot be returned with the statement.

19. **Credit Information.** We may, from time to time, request personal information from you or obtain credit reports from credit reporting agencies for the purpose of updating your credit status. Your failure to provide such information when requested by us may result in suspension of credit privileges under this Agreement, including your ability to obtain any future advances by any means. You authorize us to investigate your credit standing when opening or reviewing your Account. You authorize us to disclose information regarding your Account to credit bureaus who inquire about your credit standing.

20. **Foreign Transactions; Currency Conversion.** Purchases and cash advances made in foreign currencies will be billed to you in U.S. dollars. Transactions processed outside of the United States (which may include internet transactions) will be charged a foreign transaction fee, even if you are located in the United States, in an amount to be determined by us, regardless of whether there is a currency conversion associated with the transaction. The conversion rate in dollars will be a rate selected by the card company from a range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate the card company itself receives, or the government- mandated rate in effect for the applicable central processing date in each instance.

21. **Termination; Change-in-Terms.** We may, by written notice, terminate this Agreement at any time, subject to applicable law. You may terminate this Agreement by written notice. Termination by either party shall not affect your obligation to repay any payments made for your Account resulting from use of the Card as well as Interest Charges and fees incurred. We may change the terms of this Agreement, including the method of calculating the periodic rate, at any time, by written notice, subject to applicable law. To the extent permitted by applicable law, such rate changes shall apply to your unpaid balance as well as future advances. Use of the Card constitutes agreement and acceptance of any change in terms, unless applicable law requires otherwise.

You shall have sole responsibility for notifying us in writing regarding cancellation of charging privileges of authorized user(s). You shall return to us the card upon cancellation. You shall be responsible for any and all charges made prior to the return of the card to us.

22. **Enforcement.** We do not lose our rights under this or any related agreement if we delay enforcing them. We can accept late payments, partial payments or any other payments, even if marked, "paid in full" without losing any of our rights under this Agreement. If any provision of this or any related agreement is determined to be unenforceable or invalid, all other provisions remain in full force and effect.

23. **Returns and Adjustments.** Merchants and others who honor the Card may give credit for returns or adjustments, and they will do so by submitting a credit slip which will be posted to your Account. If your credits and payments exceed what you owe us, the amount will be applied against future purchases and cash advances. If the credit balance amount is \$1 or more, it will be refunded upon your written or verbal request.

24. **Refusal to Honor Card.** We are not liable for the refusal or inability of merchants, financial institutions (including us) and others to accept the Card, or electronic terminals to honor the Card or complete a Card withdrawal, or for their retention of the Card.

25. **Plan Merchant Disputes.** We are not responsible for the refusal of any plan merchant or financial institution to honor your Card. Also, we are not responsible for goods or services that you purchase with the Card unless: (a) your purchase was made in response to an advertisement we sent or participated in sending you; or (b) your purchase cost more than \$50 and was made from a plan merchant in your state or within 100 miles of your home; and only if you have made a good faith attempt, but have been unable to obtain satisfaction from the plan merchant. You must resolve all other disputes directly with the plan merchant. We do not warrant any merchandise or services purchased by you with the Card.

26. **Statements and Notices.** Statements and notices will be mailed to you at the most recent postal address or e-mail address (if you have elected to receive such documents via electronic means) that you have given us. Statements will be sent each month in which there is a debit or credit balance or when an Interest Charge is imposed. If you have elected to receive a statement via e-mail, you will not be sent a paper statement. We need not send you a statement if we feel your Account is uncollectible or if we have started collection proceedings against your Account because you defaulted. Each statement is deemed to be a correct statement of Account unless you establish a billing error pursuant to the Fair Credit Billing Act. Notice sent to any one of you will be considered notice to all.

27. **Integrated Documents.** Any separate document containing rates, fees, or other terms and conditions which is delivered with this Agreement or provided at a later time is an integrated part of this Agreement.

28. **Notification of Address Change.** You will notify us promptly if you change your address for any reason. In order to prevent identity theft, your identity may need to be verified before we act upon the notification.

29. **Copy Received.** You acknowledge that you have received a copy of this Agreement.

30. **Governing Law.** This Agreement shall be construed under federal law and state law in the state in which we are primarily located, and the venue shall be located in the county and state in which we are primarily located. Operating regulations of Visa or MasterCard, as applicable, may also apply. This Agreement is the contract that applies to all transactions even though the sales, cash advance, convenience check, credit or other slips you sign or receive may contain different terms.

31. **Automatic Payment Transfer Option.** If you request the automatic payment transfer option, all minimum payments due will automatically be deducted from your designated account on your payment due date. If your designated account does not contain sufficient funds, no automatic deduction will be made, your Account will be charged an insufficient funds fee, and you will be responsible for making the payment by some other means.

32. **Overdraft Protection.** This Business Credit Card Account may be eligible for use as a form of overdraft protection. Our overdraft protection policy is set out in the most current version of the Business Accounts and Services Membership Agreement. If eligible for overdraft protection, available funds will be transferred in a sufficient amount to cover an overdraft in your designated checking account(s). Advances for overdraft protection are considered cash advances and are subject to applicable interest charges. Should you elect to use your Business Credit Card Account for overdraft protection, you acknowledge and agree anyone you have authorized to use your designated checking account(s) may cause an overdraft and a subsequent advance from your Business Credit Card Account. You further acknowledge and agree the credit union has no obligation to notify you of any overdraft advance.

33. **Information Disclosure.** We will disclose information to third parties about your Account or the transactions you make: (1) when it is necessary for completing transactions, or (2) in order to verify the existence and condition of your Account for a third party, such as a credit bureau or merchant, or (3) in order to comply with government agency or court orders, or (4) if you give us your written permission.

34. **Arbitration Clause:** The Business Accounts and Services Membership Agreement contains a provision permitting arbitration to resolve certain conflicts, which is available upon your request.

35. **Lawsuit:** You agree that any lawsuit based on a cause of action against us must be filed within one year from the date it arises, or you shall be barred from filing any lawsuit. This limitation includes tort, contract, and all other causes of action for which you and we may lawfully contract to limit.

36. **Money Transfer Services.** If you receive any transmittal amount from any Money Transfer Service (MTS) provider, you agree that the per transaction amount and total daily amount may be limited. We may increase or decrease this limit from time to time or accept or decline any MTS request in our sole discretion or as allowed by regulation. Each transmittal amount that is sent to your Card will generally post to your Card within two business days after we receive the transmittal amount from the sender.

YOUR BILLING RIGHTS - KEEP THIS NOTICE FOR FUTURE USE

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at the address(es) listed on your statement.

In your letter, give us the following information:

1. Your name and Account number.
2. The dollar amount of the suspected error.
3. If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
- If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card Account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at the address(es) listed on your statement.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
