Your Statements Have A New Look!

As part of the Account Conversion process, your statements will have a new look. Please take a few minutes to review the changes, and contact us if you have any questions.

The account number and current statement period are located here. (See sample at right)

2 The "What's New" section features messages and updates about our products and services.

The "Account Summary" and "Financial
Summary" give you a snapshot of your savings, checking and loan balances at the top of the statement.

4 Your account activity and column headings are designed using color and bold text to make it clear and easy to ready.

What You Need to Know

All statements will reflect this new design - deposit accounts, Visa credit cards, home equity loans and lines of credit.

For added security, statements will only display a partial account number.
